Music, Beautifully Framed

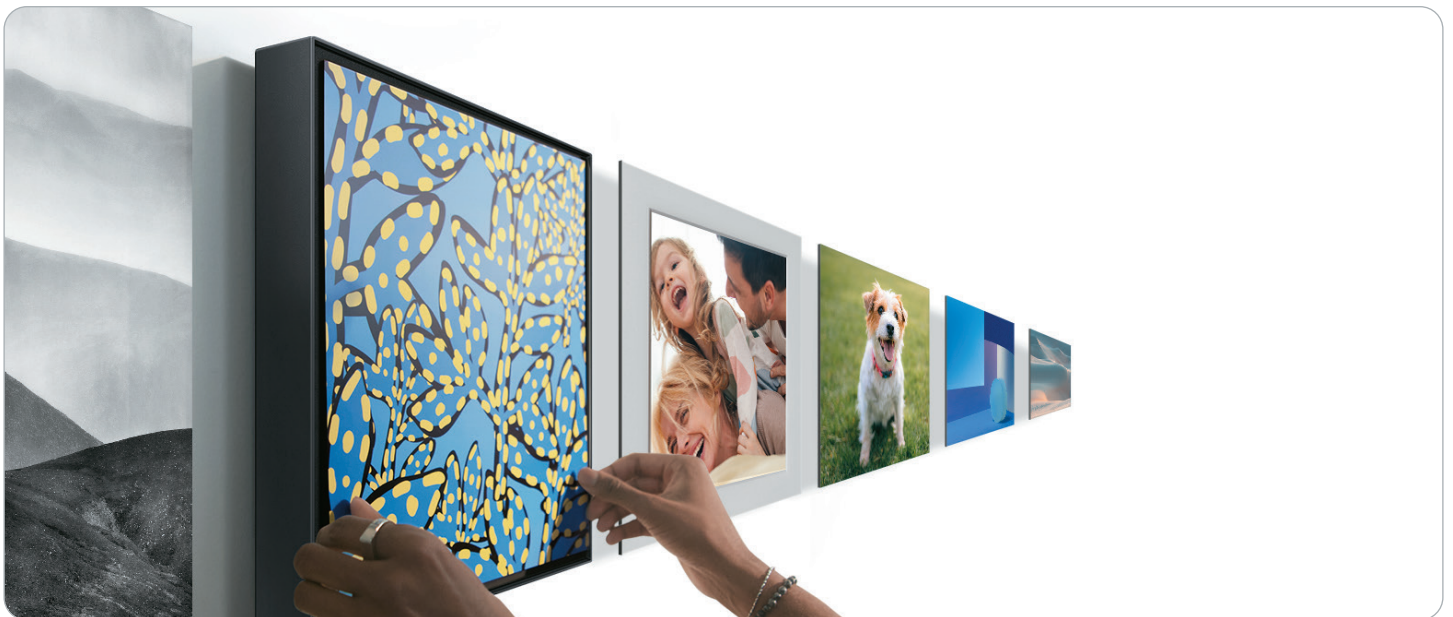

**Model:** HW-LS60D

## 1 Where sound meets art

### Framed Design

Transform your space with the customisable picture frame speaker design. Seamlessly integrate it into your home decor by selecting an Art Panel that complements your style.

### Customisable Options

The sleek Music Frame can be effortlessly mounted on the wall, placed on a table or floor with its detachable stand. What's more? Personalise it with your favourite photo, and enjoy powerful sound from wherever it's placed.

## 2 A performance that will leave you spellbound

### Clear & Powerful Sound

Experience consistent and balanced sound with Music Frame's 3-way speakers and patented waveguide technology, ensuring immersive audio quality wherever you are in the field of sound.

## 3 The ease of enjoying music with multi devices

### Wireless Music Experience

Effortlessly stream music from your mobile<sup>1</sup> device to the Music Frame via Wi-Fi or Bluetooth, enjoying your favourite tunes in top-notch audio quality without the hassle of wires.

### Personal Audio

Control your Music Frame with voice commands using built-in Alexa<sup>##</sup> or Google Assistant<sup>2</sup>. You can also use Chromecast<sup>2</sup> built-in for streaming audio content, or for a personalised listening experience, tap the AirPlay<sup>3</sup> icon on your Apple device (iphone or ipad) and connect to Airplay to stream audio.

### Hi-Fi/ Spatial Audio

Experience lossless Hi-Fi/ Dolby Atmos<sup>1</sup> music by simply connecting your Music Frame to your Samsung TV via Wi-Fi or Bluetooth. Enjoy seamless audio-video synchronisation and mirror mobile device audio for uninterrupted entertainment with a simple tap-to-connect feature.

### Q-Symphony

Experience harmonised audio between your TV and Music Frame with Q-Symphony technology, where they play together without any of the speakers being muted. Creating a seamless surround sound system where both devices complement each other's output seamlessly.
